PI 34 Educator Quality and Licensing

The PI 34 Educator Quality and Licensing program at CESA #4 is a comprehensive service that will take initial educators from their first days in the classroom/school with an initial educator license to the verification of their Professional Development Plan (PDP) and professional educator license. Participation in this program will enable districts to provide the required components of the PI 34 Licensing Law including: 1) training for mentors, 2) standards-based support seminars, 3) on-going orientation, and 4) support writing the Professional Development Plan.

Level 1 - Basic PI 34 Service

Initial cost to access this service is \$1,800 per district. Initial educators from member districts attend trainings at no or reduced cost as outlined below:

- Conduct a site visit with member districts to meet Initial Educators holding a teaching/pupil services/administrator license to explain services and professional development opportunities
- Provide a minimum of four standards-based support seminars for first year Initial Educators held from 4:30 p.m. to 7:30 p.m. at no charge (Non members: \$50 per participant per seminar)
- Provide one standards-based support seminar for 2nd-4th year Initial Educators held from 4:30 p.m. to 7:30 p.m. at no charge (Non members: \$50 per participant per seminar)
- Assist districts and Initial Educators in the use of DPI's Educator Licensing Online (ELO) system and QEI for PDP writing
- Assist first and second year Initial Educators with the development and goal approval process for their PDPs
- Conduct at least one PDP Writing workshop for second year Initial Educators (one full day) for \$25 per member participant (\$150 per non-member)
- Conduct at least one Mentor Training workshop (one full day) for \$25 fee per member participant (\$150 per non-member)
- Provide a basic mentoring handbook (to those who need and request)
- Provide technical assistance through e-mail, phone calls, and correspondence
- Provide PDP reviewer re-certification support

PI 34 Educator Quality and Licensing

Level 1 PI 34 Educator Quality and Licensing Services purchase not required to purchase Level 2 Customized Services

Level 2 - Customized Service: In-District PI-34 Coordinator

Districts may purchase customized mentoring services to fulfill PI-34 requirements and match individual district needs. Such services could include in-district mentor/mentee observation and feedback, new-teacher orientation services, PDP Team Reviewer training refresher, helping current Professional Educators under six-credit renewal system transition to a PDP, and contracted mentoring services. Contact CESA #4 to design the custom package you need for your Initial Educators.

- 1 – 10 days @ \$750 per day
- 11 – 25 days @ \$700 per day
- Over 26 days @ \$650 per day
- One-half day @ \$450

Level 3 - In-District Training for Mentors of Initial Educators

Per PI-34 law, districts are required to provide initial educators with a “trained” mentor who is a licensed teacher. Mentors should receive training and refresher training every five years. CESA #4 can provide this full-day training with access to all resources in-district for groups of five or more teachers.
