Educator Effectiveness

All districts in the state of Wisconsin are required to implement the Educator Effectiveness system. This service will provide implementation support for your district and school leadership teams in your selected system. Both the Danielson and CESA #6 models will be supported through this project.

Level 1 – Basic Service

Initial cost to participate in this service is \$1,000 per district. Included in this cost are the following benefits:

- Four Educator Effectiveness Leader (EEL) networking meetings
- Technical support for basic questions on DPI Model technology platform, Frontline
- Regular updates from the DPI Educator Effectiveness office
- District- and school-level administrative and teaching staff may attend any or all designated workshops on the DPI model of Educator Effectiveness to be offered throughout the year, based on a needs assessment of CESA #4 districts. After each event, a \$25 per participant workshop fee will be invoiced to your district.
- Three EE coaches workshops at CESA #4 at \$25 /participant
- One half day of on-site professional development. Possible PD topics:
 - Administrative/Leadership Team Consultation, Coaching and/or planning
 - EE System Introduction and Overview for new teachers
 - SLO Development
 - Technology System Navigation
 - Focused Professional Development on the Danielson Framework
 - EE System Introduction and Overview for new Evaluators
 - Identifying and Selecting High Quality Artifacts
 - Utilizing data and reports from EE System Implementation
 - EE Implementation audit

Level 2: Customized In-District Support

Customized services may be purchased to support Educator Effectiveness (DPI Model) in your district. Time would be contracted in half or full days. A CESA #4 Director will work with you to identify, plan, and implement services to meet your district’s individual needs.

1 – 10 days @ \$750 per day
11 – 25 days @ \$700 per day
Over 26 days @ \$650 per day
One-half day @ \$450

CESA #6 Effectiveness Project Districts can purchase EPIC services through CESA #4 at a minimum of five days per district. (For purchase of these services, please refer to project #260)
