

Service...Above and Beyond

Additional Early Childhood Statewide Support Services based at CESA #4

The services described below are in addition to project #446 Early Childhood Services.

These services are funded through the Department of Public Instruction's Office of Early Learning to provide statewide guidance and support in:

- RtI Applications in 4k Settings
- Early Literacy and Early Mathematics Professional Development
- 4K Curriculum and Assessment
- Educator Effectiveness – Danielson Framework in 4K, early childhood special education

Early Childhood RtI Statewide Coordination and leadership in the WI Early Childhood Collaborating Partners: Early Learning Advisory Group are provided through CESA #4; related services are available locally to CESA #4 schools.

Contact CESA #4 to evaluate your district-specific needs.

“Programs need to deliver content-rich curriculum with challenging but achievable goals in ways that honor and respect the unique learning needs of young children. “
