Wisconsin Statewide Parent Educator Initiative (WSPEI)

The research on family engagement in education spans over 30 years and shows that when families support their children's learning at home, their children will have increased educational outcomes and success in life.

WSPEI is all about partnerships, helping families and school districts find the resources that will help them build positive working relationships leading to shared decision making and positive learning outcomes for all children.

WSPEI Discretionary Grant funded Services for Families in Your School Districts:

- Individual Family Support
- Strategies to navigate the school system
- Access to free electronic or hard copy educational materials
- Connections to parent and organizations including Parents in Partnership (PIP) and Youth in Partnership (YIPPE)
- Educational Opportunities to learn how to participate in their child's development and learning
- Information about options if families disagree with a decision of the school

WSPEI Discretionary Grant Funded Services for Your School Districts:

- Recruitment and Training of District Family Engagement Liaisons
- Development of Family Engagement Plan specific to your School District's Needs
- Assistance with Indicator 8 State Performance
- Access to educational materials to support more effective cultural collaboration with families
