Itinerant Services

Level 3—District-Based Services: School Social Worker, Educational Audiology, Hearing Impairment, Vision Impairment, Occupational Therapy, Physical Therapy, Orientation & Mobility

The Itinerant Services program provides in-district service to students with hearing, vision impairments, as well as occupational and physical needs. CESA #4 staff members will work with school staff, families, and medical personnel to identify and address the needs of each student.

Direct service includes face-to-face teaching and evaluation or therapy provided to a student or in small groups. Indirect service includes testing, development of IEPs, attendance at IEP meetings, and consultation with school staff, families or medical personnel.

Service costs are based upon units of service (1 UOS=15 minutes). Estimated costs for each itinerant program area are based on current caseload and anticipated units of service for the upcoming school year. Itinerant Service will be billed monthly beginning in September 2018 and costs will be recalculated throughout the year as more accurate caseloads are generated.

Please check the box for each itinerant service area you wish to purchase.

CHECK TO PURCHASE	CESA #4 ITINERANT SERVICE	*ESTIMATED TOTAL UNITS	*ESTIMATED TOTAL COST
<input type="checkbox"/>	482 School Social Worker	DAY RATE	
<input type="checkbox"/>	#483 Educational Audiology (IEP Mandated Activities)		
<input type="checkbox"/>		DAY RATE 28 units = 1 day	
<input type="checkbox"/>	#484 Hearing Impairment		
<input type="checkbox"/>	#485 Vision Impairment		
<input type="checkbox"/>	#486 Occupational Therapy	DAY RATE	
<input type="checkbox"/>	#487 Physical Therapy	DAY RATE	
<input type="checkbox"/>	#489 Orientation and Mobility		

*Units and costs are estimates and are subject to change based on enrollment at the beginning of the upcoming school year.

**In addition to Educational Audiology services required by a student’s IEP, districts may purchase (28) units of service for activities not related to IEPs including but not limited to:

- Hearing screenings and/or follow-up screenings for school-aged students
- Hearing screenings and/or follow-up screenings from Child Development Days
- Hearing screenings and/or follow-up screenings for difficult-to-test populations
- Classroom amplification recommendations, installations, and maintenance
