Welcome to the CESA 4 Program and Services Catalog for 2017-2018! We are excited to be able to provide next year's services and programs with no increase in administrative costs. Daily rates are also unchanged. Please note that discounts are available for many programs and services when a block of days is purchased. Additionally, if you need larger blocks of time, CESA 4 staff will provide on-site services at the following rates (travel costs are included):

01-10 days	\$750 per day
11-25 days	\$700 per day
26+ days	\$650 per day
½ day	\$450

To sign up for programs or services for 2017-2018, please copy the catalog pages for the services or programs you desire, sign them, and send the signed copies back to the attention of Michelle Kotek either via e-mail or on the CESA van. Please return your service selections by April 7, 2017, if possible, although we understand this due date may not work in all cases. Michelle will compile a Summary Master Contract of purchased services and return the list to you for approval. We ask that your signed Summary Master Contract be returned to CESA 4 by May 23, 2017.

Our goal at CESA 4 is to provide SERVICE . . . ABOVE AND BEYOND. We are committed to providing high-quality, relevant educational opportunities to educators in our service area and in supporting member school districts in their efforts to improve learning for all students. If you have a need which is not addressed by a catalog option, please let us know. Through our service-by-design model, the CESA #4 staff will work to create and deliver the service needed for your individual district needs. We look forward to having the opportunity to serve your district in 2017-2018.

Sincerely yours,

Cheryl Gullicksrud
