Title I Network

CESA #4 receives funding from the Department of Public Instruction to provide basic level Title I Support. DPI determined that basic level support needed for districts in the area of technical assistance regarding effective Title I Programs with a focus on student learning. This year-long service will be free to Title I-receiving schools and will include:

Level 1 - Basic Service

- Three Title I Coordinator's meetings
- Title I Coordinator orientation
- Professional development offered at CESA #4 (attend a variety of workshops at no or reduced cost)
- Technical assistance (phone & email)
 - Parent involvement
 - Private schools
 - Reporting requirements
 - Title I application
 - Schools identified for support under ESSA
- Lending library – resources, books and DVD's supporting Title I
- Training on statewide network-developed toolkits in
 - Private school involvement
 - Title I finances
 - Family engagement
